**ORDER**

The plaintiff, Veronica McNeal (“plaintiff”), represented by counsel, filed this civil action pursuant to 42 U.S.C. § 1983 on September 3, 2009. (Doc. #1). The case was referred to United States Magistrate Judge Bruce Howe Hendricks pursuant to the provisions of 28 U.S.C. § 636(b)(1)(B) and Local Rule 73.02 (B)(2)(d), DSC.

This matter now comes before this Court for review of the Report and Recommendation (“the Report”) filed by the Magistrate Judge to whom this case had previously been assigned. (Doc. #18). In the Report, the Magistrate Judge recommends that this action be dismissed without prejudice because the plaintiff has not shown that the defendants in this action have been timely served or that there is good cause for the failure to serve. (Doc. #18). No objections were filed to the Report. Objections were due on March 11, 2010.

This Court is charged with conducting a de novo review of any portion of the Magistrate Judge’s Report and Recommendation to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. §

636. In the absence of objections to the Report and Recommendation of the Magistrate Judge, this Court is not required to give any explanation for adopting the recommendation. See Camby v. Davis, 718 F.2d 198, 199 (4th Cir. 1983).

The Court has carefully reviewed the Magistrate Judge's Report and Recommendation. The Magistrate Judge's Report and Recommendation is **ACCEPTED**. (Doc. #18). For the reasons articulated by the Magistrate Judge, this action is hereby dismissed without prejudice.

**IT IS SO ORDERED.**

s/Terry L. Wooten  
United States District Judge
